THE FINEST **BI-COLOR** EVER CREATED!

Love Song

★**LOVE SONG.** H.T. (Fisher.) Plant Pat. 1360. When this grand Rose was introduced in 1956, its immediate popularity exceeded all our expectations. It sold out early in the spring. In 1957 when news of Love Song got around, even our greater supply was not enough to keep up with the demand! Here—now—is another opportunity to see for yourself what makes this Rose so sought after; or if you already know this beauty, to add another to your collection of fine Roses.

Love Song is Big, Bright and Beautiful . . . a gorgeous creation of rich watermelon-pink and gleaming yellow. It's an eye-filling Rose with an unmistakable identity which won't go unnoticed in your garden. The color is sheer delight—luminescent pinks with bright yellow reverse—a combination that always draws excited comment from all who see it. There are as many as 100 petals, forming a nicely shaped flower of real substance. Nothing skimpy about this raving beauty! Notice the lovely form of the opening bud in the illustration and the sturdy stem which holds it aloft. This indicates a sturdy plant that's bursting with vigor and strength. It grows upright to medium height and as handsomely as a fine Rose can. Its leaves are deep green and waxy in appearance, giving an impression of richness. With all this to recommend it, Love Song is free-blooming, too, adding virtue until only one more remains unmentioned. Love Song becomes a veritable paragon of a Rose by claiming also the one last quality of . . . fragrance. Such it has in refined measure. This Rose of almost unbelievable beauty and character is, nonetheless, real. You can have it if you order early. \$2.50 ea.; 3 or more, \$2.20 ea.

It's safe and easy to order by mail from Star Roses.

H. T. ROSE

All-America Winner for 1958

Plant Pat. 1359

THE GREAT NEW ROSE ON THE COVER

The All-America Award Winner for 1958

★**WHITE KNIGHT** (Message). H.T. (Meiland.) Plant Pat. 1359. *Here, at last, is the Rose that fills America's need for Perfection in White!* Indication of this achievement is the fact that at no time—ever—in the history of All-America Rose Selections competitions has a white Hybrid Tea Rose won the top honor until this year. White Knight's emergence in the honored spot makes history! And with good reason!

White Knight is, without a doubt, the finest white Hybrid Tea ever created. It is *pure white*—a magnificent, satiny white that stays white regardless of weather. Its big, 5-inch bloom is a splendid example of Rose form, with petals curling outward gracefully. The perfectly pointed buds are the picture of elegance as they unfold to form, with from 28 to 35 large, substantial petals, a blossom which seems to have been sculptured from the purest alabaster. Such blossoms White Knight gives you in abundance. They come continuously on long, strong stems,

and they last and last either on the bush or as cut flowers for the house. The plant is exceptionally fine, too. Growing to 3 feet and more, it is free-growing, bushy and much-branched. The foliage is a lively green, which provides the perfect setting for the white flowers. White Knight's vigor and strength give it excellent disease-resistance and hardiness. This is a champion in every way, one you can depend on to give you the most beautiful, perfect white flowers all summer long for many summers to come. \$3 ea.; 3 or more, \$2.65 ea.

The Sparkling **NEW**

★**SUNLIGHT**. H.T. (Meiland.) Plant Pat. 1576. From its extraordinarily fine opening bud to the 24-carat splendor of its full open bloom, this brand-new and much-needed yellow Hybrid Tea is a treat to the eye. It's the color of the sun on a mellow afternoon, rich-toned and beautiful. It blooms continuously in free-blooming style, offering on each sturdy stem from one to three flowers, each of generous proportions and with from 43 to 48 petals which curl outward. The wonderful opening bud is an interesting Chinese yellow occasionally and very lightly washed with Mandarin red. As it opens, Sunlight's bud changes in the open flower to its delightful golden color. The flower is delicately perfumed. This great new Rose has remarkable vigor, healthy foliage and disease-resistance. It grows tall and is well balanced. Your enthusiasm will be vigorously stirred by Sunlight's tremendous appeal. \$2.50 ea.; 3 or more, \$2.20 ea.

SHINES HERE FOR
THE FIRST TIME!

★**SUNLIGHT**

PRESIDENT EISENHOWER

The New "American Beauty" Red

★**PRESIDENT EISENHOWER.** H.T. (Hill.) Plant Pat. 1217. One of the best of the newer reds—a beauty with 35 to 40 red velvet petals which have a dark sheen or luster that makes the flower wonderfully rich and attractive. Big blossoms come on sturdy, upright canes. Blooms are shapely, nicely fragrant, excitingly beautiful. This is a vigorous, low to medium grower—fine in every way. Deserves its popularity, and a spot in every garden. \$2.25 ea.; 3 or more, \$2 ca.

CONFIDENCE The Beauty in Pastel

★**CONFIDENCE.** H.T. (Meilland.) Plant Pat. 1192. This blend of peach and pink with the butter-glow touch at the base of each petal is fetchingly beautiful—and the bloom is kingsize! Fragrant, too! Confidence grows tall, a broad and well-formed, upright plant. It has inherited many of the exceptional qualities of Peace, of which it is a seedling... even to winning international awards! Note the 28 to 38 huge petals, and imagine if you can the generous bloom they form. Wonderful as cut flowers and for exhibition. Such flowers can be yours summer-long, and for years ahead. Confidence makes friends—with ease. \$2.25 ea.; 3 or more, \$2 ca.

THE MOST MAGNIFICENT ROSE OF ALL TIME

PEACE

IF YOU DO NOT HAVE A PEACE ROSE, THIS MESSAGE IS FOR YOU . . . ONLY! There is no point here in talking to people who have this Rose in their gardens. *They know how fabulous it is and will want more of it.* We feel that we would be failing you, however, if we did not bring to your attention—direct—just how wonderful this great Rose is. If you love Roses, you cannot afford to be without the finest of them all . . . the world's most famous Rose. Please take a good, long look at the illustration and then read the descriptive paragraph below.

ALL STAR ROSES
ARE GUARANTEED
TO BLOOM

★PEACE

*It's safe and easy
to order by mail
from Star Roses*

★PEACE. H.T. (Meiland.) Plant Pat. 591. Peace is beautiful. Peace is big. Peace is strong and vigorous . . . so strong that it seems to have endless energy to produce those huge and handsome golden blossoms which are so artfully edged with pink. Held high and proudly, these great blossoms come on thick canes—finger-thick, in fact—which speak for the vigor of the husky plant. The foliage, like the flowers, is outstanding . . . large, leathery and glossy, and in a rich green color which complements the flower. This is a tall-growing Rose whose crowning glory—that gorgeous blossom—is superbly formed. The tremendous petals curl with grace, and the flower, from the large fat bud to the open stage, gives you that feeling of luxury, if you will, which only such richness and perfection can provide. Peace is the greatest Rose. \$2.50 ea.; 3 or more, \$2.20 ea.

★STAR is the trade-mark of The Conard-Pyle Co., registered in the U. S. Patent Office.

These 4 **SPLENDID COLORS**

★**DR. DEBAT.** H.T. (Meiland.) Plant Pat. 961. For all-round value in a Rose, this one is hard to beat. The clear, solid pink coloring has a delectable quality about it. The exhibition-type blossoms are *big*—5 to 6 inches across and made up of 30 huge petals; and when you see the abundance of flowers, each in itself something to marvel at, you get an impression of almost unbelievable beauty. Matching the generosity of the bloom is the plant itself—a tall, vigorous grower with plenty of strength in the canes to hold up the enormous flowers. From the smooth bud, which has a touch of salmon at the base, to the fully developed flower, this paragon in pink is truly one of the most satisfying Roses in the garden. Dr. Debat is one of the year-in, year-out standbys which are to be relied upon for good performance. It is, perhaps, the “classic” pink, which means that it should be included in any garden. Its color, its size and excellent form offer a combination of qualities not likely to be equaled in a similar Rose. \$2.25 ea.; 3 or more, \$2 ea.

★DR. DEBAT

You can order from this catalog in complete confidence. Our integrity and reputation for fair dealing are known throughout America. Ask your neighbor!

★**LOWELL THOMAS.** H.T. (Mallerin.) Plant Pat. 595. An All-America Winner a few years ago and a top-ranking favorite today, this deepest of yellow Roses exhibits a kind of solid gold richness which is hard to pass by. Throughout the life of the bloom, this richness of color remains steady, offering you beauty which does not fade. The bloom is high-cupped—a 4-inch flower which, in both bud and blossom, is noted for good form. The petals curl softly, each a substantial part of the most completely cheerful Rose imaginable. On the plant with its deep green foliage, the yellow flowers are presented at their best—a fine sight to see, for the strong, erect stems hold them high and proudly. Growing with admirable vigor and eagerness, the plant is upright and husky. All-in-all, in Lowell Thomas you have a yellow Rose that's good in every way, and mighty hard to beat in some . . . that solid gold color, for instance. Every garden deserves this fine Rose. \$2.25 ea.; 3 or more, \$2 ea.

ASK FOR OFFER 6

The four Roses on these two pages—the pink, the yellow, the red and the white, each in clear, deep, rich tones—are splendid examples of Rose coloring in the classic manner, the solid colors. As such, they become a necessity in the beginner's Rose garden, and eminently to be desired in any garden. These are outstanding varieties. When several are purchased together (see offers), substantial savings can be effected.

Only \$7.95

★**BLANCHE MALLERIN.** H.T. (Mallerin.) Plant Pat. 594. The long, shapely buds of this fine white Rose are superb. They open to enchantingly beautiful flowers with from 35 to 40 petals. The blooms come one to a stem, and with many to the bush, each having an appealing fragrance. This is a free-blooming, vigorous Rose which grows upright to medium height. Both flower and bush are substantial. Naturally, the pristine whiteness of the flower is the ideal foil for Roses of other colors. In the well-rounded Rose garden one or more good whites like this one are a necessity. \$2.25 ea.; 3 or more, \$2 ea.

★**CHRYSLER IMPERIAL.** H.T. (Lammerts.) Plant Pat. 1167. One of the greatest of red Roses, and one of the most popular. Its color is rich and exciting. Its big blooms, coming one to a stem, have from 40 to 50 heavy, long-lasting petals. There is a wonderful fragrance as fetching as the finest perfume. The form of bud and blossom is excellent. The plant itself is vigorous, sturdy, disease-resistant and of medium height. All these virtues combine in this rather special red Rose to give you a kind of beauty which stands alone. As Dr. Debat, Lowell Thomas and Blanche Mallerin represent their respective colors with distinction, so does Chrysler Imperial. Brilliant as it is beautiful, this red Rose is sheer delight in both garden and house. Let it be your choice if you would have the finest. \$2.50 ea.; 3 or more, \$2.20 ea.

★GRAND'MERE JENNY

★**SYMPHONIE.** H.T. (Meilland.) Plant Pat. 958. This deep pink beauty has wonderful buds, huge blooms, and many of them, which come steadily all season long. Symphonie won the Gold Medal in England and awards in France and America also. The plant is an excellent one, big and sturdy. The 25 to 35 petals are substantial in size and texture, forming blossoms that fill the eye. Fragrance is pleasing. All this with brilliant coloring makes Symphonie very worthwhile . . . an unusually fine Rose with plenty of appeal. \$2 ea.; 3 or more, \$1.75 ea.

★**MOJAVE.** H.T. (Swim.) Plant Pat. 1176. Famous for the exciting coppery red brilliance of bud and bloom, Mojave is the Rose needed to give a "lift" to an otherwise drab garden spot. It is fragrant and free-blooming, too! The urn-shaped opening bloom is exquisitely formed. The plant grows tall and with vigor, and the leaves clothing it have a rich, substantial quality which adds much to the total effect. This All-America Award Winner is aptly named, its flaming colors reminding one of desert sunsets and blazing sunrises. In your garden it will be an eye-catching beauty that will not fail to attract attention and praise. \$2.75 ea.; 3 or more, \$2.40 ea.

★**GRAND'MERE JENNY.** H.T. (Meiland.) Plant Pat. 1148. This pastel-toned Rose has an entirely different appeal from the deeper-colored varieties . . . a call to your sense of the delicate and the exquisite in color harmonies. Its blendings of pink, peach and yellow are breath-taking. The blossoms are 4½ inches across, with from 25 to 30 outcurling petals. It grows upright to medium height and provides fine blooms for cutting. Very graceful in bud and bloom. \$2.25 ea.; 3 or more, \$2 ea.

★**NEW YORKER.** H.T. Plant Pat. 823. Noted for reliable performance in all weather and even in semi-shady places, this brilliant red Rose is always popular. Its blooms are often enormous and always good. They're wonderfully fragrant and are held on tall, stiff stems which make them excellent flowers for cutting. The plant grows vigorously, is bushy in appearance and has fine foliage. New Yorker is a very satisfying Rose in every way. \$2.25 ea.; 3 or more, \$2 ea.

★**CHARLES MALLERIN.** H.T. (Meiland.) Plant Pat. 933. The black-red, superb bloom of Charles Mallerin is famous everywhere. Its big, deep red-velvet flower has from 30 to 40 substantial petals. Magnificent in both size and form, it grows fragrantly on a tall, vigorous plant which is disease-resistant. It does not produce unnumbered blooms—but each is a beauty of great quality. \$2.50 ea.; 3 or more, \$2.20 ea.

★**HELEN TRAUBEL.** H.T. (Swim.) Plant Pat. 1028. Pink and apricot tints make up a beautiful seashell-porcelain Rose which is outstanding in every way. The blooms are perfectly formed and open from slender buds into the most magnificent flowers imaginable. They are big, with 27 large petals which curl outward gracefully in the open blossom. The large, vigorous plant has long canes and distinctive green foliage. All season long, you have plenty of delightful flowers. Very lovely. \$2.75 ea.; 3 or more, \$2.40 ea.

STAR ROSES

THE BEST ROSES
FOR AMERICA

THE CONARD-PYLE CO.

West Grove, Penna.

★TIFFANY

★MIRANDY

★**TIFFANY.** H.T. (Lindquist.) Plant Pat. 1304. Clear pink subtly blended with pale gold and formed exquisitely into a Rose—that's Tiffany! This All-America Award Winner deserves its place in the sun on many counts—among them, that ideal combination of rare beauty of flower and vigor of plant. The result, naturally, is a very rewarding Rose. Tiffany's coloring is delicately beautiful; the shape of the bud is exceptionally fine; the blooms with 30 to 40 good-sized petals are large and most graceful in a softly curling manner. Flowers come in free-blooming style, held high on strong stems—an asset which means for proud owners an abundance of blossoms ideal for cutting. Tiffany's plant grows 3 to 4 feet tall—a shapely plant with plenty of good, green foliage which serves to accentuate the beauty of the flower. This is a completely charming Rose . . . a great Rose, if you will, which in any good basic collection is a necessity. There is no doubt of its quality, no doubt that you will find it eminently satisfactory. \$2.50 ea.; 3 or more, \$2.20 ea.

You Save
\$1.30 When You
Buy these

5

★**MIRANDY** H.T. (Lammerts.) Plant Pat. 632. Big, beautiful and fragrant, Mirandy has an almost irresistible appeal for everyone who loves lusciousness—king-size! The crimson to deep wine color is rich and exciting—the form is exceptionally good—the generous bloom with its intense perfume is soul-stirring. From bud to bloom, and from the ground up, Mirandy pleases. There are 50 great petals of solid substance to the bloom, and plenty of blooms to the plant, assuring you through the season flowers of real quality and loveliness. An All-America Winner of some years ago, Mirandy today rates high still, and remains in the love of many people first rank and without peer. \$2.25 ea.; 3 or more, \$2 ea.

★**HAPPINESS.** H.T. (Meiland.) Plant Pat. 911. Almost unsurpassed as a cut Rose, providing magnificent exhibition blooms. However, it does not have too many flowers and is a bit difficult to grow in northern sections of the country. It's a brilliant red with firm, heavy, substantial petals and distinctive form. The mature flower is crimson-carmine or royal rose-red. Its outer petals curl to points in layer after layer about the solid, pointed center. Very long-lasting blooms. \$2 ea.; 3 or more, \$1.75 ea.

★**SUTTER'S GOLD.** H.T. (Swim.) Plant Pat. 885. From long, sleek buds to the bright, glossy leaves, this Rose is a splendid example of richness in the garden. The distinctive coloring is golden, touched with flushes of copper, pink or vermilion—beautiful blooms which come in abundance with charming effect. The stems holding them are straight and almost thornless, characteristics which make Sutter's Gold excellent for cutting. The bush grows tall and in good proportion, the shiny leaves providing with the colorful blooms a most happy sight. Even fragrance is an attribute worth special mention, for it is rich and intense. There is no wonder that this fine Rose is a winner, and that it will continue to rank high in popular appeal. \$2.25 ea.; 3 or more, \$2 ea.

★SUZON LOTTHE. H.T. (Meiland.) Plant Pat. 934. This is a pleasant change colorwise from the solid tones of reds and yellows . . . really a remarkable personality in pearl-like pink sheens. This distinctively different Rose has quality throughout, its large blooms, made up of from 55 to 90 petals, being nicely shaped and having an extraordinary perfume. The plant is heavy-caned, vigorous and disease-resistant. The leaves are large. The stems are strong and hold their flowers upright proudly. It is a splendid cutting Rose—a happy Rose to have in the garden or in the house. Worth mention is the very special smoothness of texture of the petals. This quality, together with that of the delicate blending of soft pinks which give it its shell-like beauty, is what makes Suzon Lotthe rather special. \$2 ea.; 3 or more, \$1.75 ea.

It pays to buy the best—Star Roses

★SUZON LOTTHE

GREAT STAR ROSES

★CHARLOTTE ARMSTRONG. H.T. Plant Pat. 455. Long, slender, rose-red buds alone make Charlotte Armstrong a notable Rose. But couple this virtue with others, and you have a favorite with tremendous appeal. The glowing color, the well-formed open blooms, the long stems, the healthy and vigorous plant . . . the list is long. A tall grower in handsome style, this Rose bears its lovely flowers continuously and offers you plenty of rich, old-fashioned Rose beauty. It's an All-America Winner, of course. \$2.25 ea.; 3 or more, \$2 ea.

YOU HAVE THE
WORLD'S FINEST

★NOCTURNE

★**NOCTURNE.** H.T. (Swim.) Plant Pat. 713. Deep red blossoms with dark shadings give you a kind of beauty in Nocturne which never fails to impress. The large, well-formed flowers open from long-pointed buds and are wonderfully fragrant. A strong feature of the Rose is its ability to withstand summer heat without losing its good color. Also—it grows well anywhere, its vigorous nature asserting itself in spite of conditions which are not of the best. Growing tall and with huge, wavy petals making up the rich-looking flower, Nocturne is really one of the best of its kind. You will rate it high yourself, as many have done before, for it is very worthwhile in every way. \$2.25 ea.; 3 or more, \$2 ea.

★**MIAMI.** H.T. (Meiland.) Plant Pat. 977. This one has all the glitter and glamour of subtropical shores . . . the magic mixture of coral, flamingo and old-gold colors—the scent of spice-sweet perfume heavy on the evening air. Wonderful form of bud and bloom pleases the eye and adds to your pleasure in Miami. So brilliant a flower requires for its fullest development, however, just a bit more of the good gardener's touch than most Roses need. But the return is great. Miami's blooms, though perfectly wonderful, are not the most numerous in the

world. If you can overlook this for the sake of perfection, Miami can make you happy. \$2 ea.; 3 or more, \$1.75 ea.

★**EDEN ROSE.** H.T. (Meiland.) Plant Pat. 1149. Massively large blossoms of clear pink with impressive and delightful fragrance distinguish this well-known award winner. Very showy and very sturdy, with a plant that's in keeping with the quality of the flower. Grows to 3 feet in height and makes any garden spot a focal point. Eden Rose is truly tremendous. It's a big winner in Europe and is winning favor here. \$2 ea.; 3 or more, \$1.75 ea.

★GOOD NEWS

★**GOOD NEWS.** H.T. (Meiland) Plant Pat. 426. Peach-toned beauty with big, 60-petaled blooms opening from coppery pink buds. Has these beautiful flowers on the bush all summer long. They come in clusters on erect stems. They're as fragrant as can be. The entrancing open bloom has glowing centers which tone to shell-pink on the outer petals. Good News is good news, too, where the plant is concerned—hardy, healthy, vigorous. All-in-all, a very fine Rose. \$2 ea.; 3 or more. \$1.75 ea.

★**SUN KING.** H.T. (Meiland.) Plant Pat. 1342. Give this Rose your personal touch and it will reward you with fine, clear yellow, luminescent blossoms—each with a rich heart of deeper color. As with people, Sun King needs a bit of friendly understanding in order to shine at its best. The buds are large and pointed. They open to blossoms that resemble halos of yellow light. The plant is tall and upright, and each flower, with its 40 to 50 petals, is effectively set off by rich, dark green foliage. Strong, wiry stems hold the beautiful blooms as though with pride. Sun King is worth the extra attention you give it. \$2.50 ea.; 3 or more. \$2.20 ea.

★**PENNSYLVANIAN.** H.T. (Ohlbus.) Plant Pat. 936. If you want a beautiful show of apricot-orange tints in your spring and fall garden especially, look to Pennsylvanian. This fine Rose has big, 4 to 5-inch blossoms which open from long, pointed buds. The scent of the flower is delicious. The plant is a vigorous, upright grower which provides an abundance of well-formed flowers—each one a far more beautiful bloom than the picture shows you. The wonderfully blended pastel tints are really something! This is a solid Rose all around—a splendid grower—a great bloomer—a real charmer. It will not fail to please you. \$2 ea.; 3 or more, \$1.75 ea.

All are, of course, Star Roses—Quality Roses—the famous Aristocrats of the Rose World. You can depend upon them for the greatest satisfaction this season, next year and for years to come. Each of the offers on these two pages is a money-saving offer. Take advantage of them.

JUST PICTURE THESE FAMOUS

★SHOW GIRL

★ANGELS MATEU. H.T. An orangey rose old favorite with still plenty of appeal today, Angels Mateu gives you bright coloring and a completely delightful fragrance . . . an old-fashioned value that makes this Rose a good buy. There is a smooth quality about the flower, soft and special, and pleasing form in bud and bloom. The plant, too, is excellent, with good green foliage to round out that beautiful flower color. Like others of the older Roses, this one is very fetching. \$1.75 ea.; 3 or more, \$1.55 ea.

★ANGELS MATEU

★SHOW GIRL. H.T. Plant Pat. 646. Remarkable for length of bud, this luminous, deep pink beauty has many good qualities. The plant is strong, with long, straight stems and flowers good for cutting. It does well anywhere. It wins many prizes at Rose shows. \$2.25 ea.; 3 or more, \$2 ea.

★ETOILE DE HOLLANDE. H.T. A popular old-timer—a fine red Rose with good crimson color, excellent form and good cutting stems. The plant is fairly vigorous and the flowers richly perfumed. Depend upon this one for the greatest pleasure from bud to finished bloom. There is more real worth here than is indicated by the price. \$1.50 ea.; 3 or more, \$1.30 ea.

★DAINTY BESS. H.T. Blush-pink beauty with 5 petals—a long-beloved Rose with much grace and daintiness. The delicate coloring of the pink petals is enhanced by the long, wine-red stamens. A very outstanding single Rose like this is made the more so by the most delightful perfume. You can expect to enjoy Dainty Bess. \$1.75 ea.; 3 or more, \$1.55 ea.

★GIRONA. H.T. Turkey-red and golden yellow multicolored Rose with from 25 to 30 petals making up a well-formed flower. This one is noted for a rich attar-of-roses perfume. It is, in fact, the most fragrant of the multicolors. The plant is good, too, with stems which make the flowers good for cutting. \$1.50 ea.; 3 or more, \$1.30 ea.

★ECLIPSE. H.T. The famous long, pointed buds of this fine yellow Rose (see illustration) make Eclipse very desirable. It is the most streamlined of all Roses, the tapering bud opening into golden yellow blooms which come profusely on a vigorous plant. The flowers are large and semi-double, with from 25 to 30 petals. \$1.75 ea.; 3 or more, \$1.55 ea.

THE CONARD-PYLE CO.

West Grove, Penna.

★TALLYHO. H.T. Plant Pat. 828. A luscious red-raspberry with soft, darker shades on the outer side . . . a fetching color you don't see often. The great canes are topped with long-lasting blooms. Tall, upright, fragrant, superb in every way. Excellent form. \$2.25 ea.; 3 or more, \$2 ea.

★KAISERIN AUGUSTE VIKTORIA. H.T. One of the older whites—a cream-white with faint lemon at center of open bloom. The buds are long and shapely, and there is a delightful scent. This old-fashioned Rose is often called the "classic" white. \$1.50 ea.; 3 or more, \$1.30 ea.

★POINSETTIA. H.T. Brilliant, clear red blooms keep their bright color in all weather. It's a free-blooming Rose of the "old favorite" kind. Excellent form and dependability are characteristic of Poinsettia. You're bound to find satisfaction in it. \$1.50 ea.; 3 or more, \$1.30 ea.

★RED RADIANCE. H.T. Remarkable freedom of bloom and a real Rose fragrance distinguish this raspberry-red beauty. The flower is beautifully cupped. The plant is healthy, vigorous and long-lived. It's a solidly substantial Rose which is very dependable and worthwhile. \$1.50 ea.; 3 or more, \$1.30 ea.

★MISSION BELLS. H.T. Plant Pat. 923. An All-America Winner in salmon-pink. Clear, glowing color is brightly beautiful. Pointed buds open to full, 40-petaled flowers. The bushy plant produces continuously. Excellent in every way—a Rose that's completely charming. \$2 ea.; 3 or more, \$1.75 ea.

★MISSION BELLS

★GRANDE DUCHESSE CHARLOTTE. H.T. Plant Pat. 774. Blooms of copper-touched red opening from burnt-carmine buds come one to a stem. Shape of bud and blossom is excellent (see picture). The plant is tall and graceful, with outstanding form and good foliage. It is disease-resistant, too. Imagine that lovely blossom on its long stem in a vase in the house! You can have that pleasure this summer, and for many summers with Grande Duchesse Charlotte. \$2 ea.; 3 or more, \$1.75 ea.

★SOEUR THERESE. H.T. Candelabras of bloom come on sturdy canes. Buttercup-yellow flowers of nice, compact form make vivid show. One of the most popular of the older yellows. \$1.50 ea.; 3 or more, \$1.30 ea.

★MME. HENRI GUILLOT. H.T. Rosy flame colors change to deep watermelon-pink in the open flower. Very showy from bud to bloom. Lovely form and fine fragrance. Shiny leaves heighten the effect of this beauty. \$1.75 ea.; 3 or more, \$1.55 ea.

★BETTY UPRICHARD. H.T. Pearly pink with a touch of salmon at the base. Long-pointed buds. Large, semi-double flowers. Spicy fragrance. \$1.50 ea.; 3 or more, \$1.30 ea.

★MRS. PIERRE S. DU PONT. H.T. Free-blooming golden yellow with well-formed buds. Flowers are fragrant and come on a bushy plant. \$1.50 ea.; 3 or more, \$1.30 ea.

★CHRISTOPHER STONE. H.T. Scarlet-crimson flowers become deep red velvet in fall. Blooms all the time and has Damask fragrance. \$1.50 ea.; 3 or more, \$1.30 ea.

★MME. COCHET-COCHET. H.T. Free-blooming, soft salmon-pink with coppery pink buds. Good form and honey fragrance. Grows tall. Excellent plant. \$1.75 ea.; 3 or more, \$1.55 ea.

3 Fabulous *NEW* EVERBLOOMING FLORIBUNDAS For 1958

Lavender Girl

The Unique Lavender That Does Not Fade!

★LAVENDER GIRL

We were never so surprised in our life! We had no idea that so many people would "go for" this lavender Rose—even though it is unique in that it does not fade out in strong summer heat. Lavender Girl is good—fine deep lavender color, excellent plant habits, a wonderful flower. . . but because the color is different we felt that everybody would not take it to heart as they are likely to with more standard colors. So we planted a relatively small number. And we were wrong! We sold out fast—even with a limit of 3 to a customer! This spring, we haven't a single one—but we'll have more in the fall. We will accept advance orders for Lavender Girl for fall delivery. That's the best we can do right now. Order now to be sure of having this extraordinary new unfading lavender Rose. \$5 ea.; 3 or more, \$4.25 ea.

Gold Cup NEW ALL-AMERICA WINNER

★GOLD CUP. Plant Pat. App. for. This much-needed new yellow Floribunda is an unfading golden color. The flower is fragrant, about 3 to 3½ inches across, and comes abundantly in large clusters held erect on the plant. Never without flowers, the bush grows to 2½ feet vigorously and has ornamental, rich green foliage. It's disease-resistant and renews itself constantly from basal shoots. Very good. \$2.50 ea.; 3 or more, \$2.20 ea.; 25 or more, \$2 ea.

THE CHARM OF STAR FLORIBUNDAS

STAR EVERBLOOMING FLORIBUNDAS are a mad riot of color with blooms coming constantly in great profusion. They are an amazing kind of Rose—healthy, vigorous and eager to please, and providing flowers all season long. The word "Floribundas" means "many flowers." To keep them blooming at their best and brightest, remove seed hips and finished blooms—an action which makes the plant more anxious than ever to continue to deliver lovely flowers. Our varieties this year are the finest you can find anywhere! They include, in Gold Cup and Fusilier, two new All-America Award Winners for 1958, the sensationally brilliant Sumatra and a number of other outstanding personalities. Plant these Star Everblooming Floribunda beauties in groups of three or more for "smash" color effects. They're great for borders and low hedges . . . wonderful wherever you want plenty of color from spring to frost. Floribundas as a class are immensely vigorous and hardy.

NEW!

★FUSILIER

Fusilier New All-America Winner

★FUSILIER. Plant Pat. App. for. A luminous, rich orangy red flower with unusual frilled edges makes for excited interest in this new Floribunda. The 3 to 3½-inch flowers come in heavy clusters almost constantly on a full and bushy plant of medium height. \$2.50 ea.; 3 or more, \$2.20 ea.; 25 or more, \$2 ea.

Always in Bloom

SUMATRA

★**SUMATRA.** (Mallerin.) Plant Pat. 1572. One of the liveliest, brightest and most satisfactory Floribundas to come along in years! The big, beautiful signal-red blossoms have an eye-tractive appeal that is irresistible. They come in flaming profusion on a vigorous, good looking plant that reaches medium height. And to cap the climax, Sumatra's beauty is further enhanced by the most enticing perfume, subtle yet memorable. There is a very unusual quality about Sumatra's exotic color . . . a sort of fluorescent, or "day-glow" brilliance. This, you can well imagine, is something to see, for the well-rounded bush seems always to be heavily in flower. Good green foliage heightens the illusion of jungle brightness. **\$2.50 ea.;** 3 or more, **\$2.20 ea.;** 25 or more, **\$2 ea.**

★SUMATRA

★**VOGUE.** Plant Pat. 926. A vigorous, 3-foot bush bearing beautifully formed, coral-red flowers . . . a soft and smooth kind of beauty that's very appealing. Vogue is sweet-scented like an old-fashioned Tea Rose. Its blooms are up to 4 inches across, each with 25 petals. **\$2 ea.;** 3 or more, **\$1.75 ea.;** 25 or more, **\$1.60 ea.**

★**BETTY PRIOR.** Spreading clusters of bloom resembling red dogwood in size, shape and color make this good Rose a favorite. Vigorous, hardy, sturdy grower, 3½ feet tall. Excellent for shrub or hedge. **\$1.75 ea.;** 3 or more, **\$1.55 ea.;** 25 or more, **\$1.40 ea.**

★**FLORADORA.** 50-petaled blooms of geranium-red come on upright plants 2½ to 3 feet tall. Very free bloomer. Long-lasting. This old favorite has always given great satisfaction. **\$1.50 ea.;** 3 or more, **\$1.30 ea.;** 25 or more, **\$1.20 ea.**

★**FRENHAM.** Deep crimson Gold Medal Winner of the American Rose Society, with beautifully formed buds and blooms. The 3-foot, bushy plant bears continuously, and does well anywhere. The color is unfading. **\$1.75 ea.;** 3 or more, **\$1.55 ea.;** 25 or more, **\$1.40 ea.**

★**IRENE OF DENMARK.** Plant Pat. 389. This is a very fine white Floribunda with "sweetheart" type buds and blooms. The flowers are a clear, frosty white, and come plentifully on a very graceful plant. Irene of Denmark was created by Svend Poulsen of Denmark, whose family originated the class of Roses known as Floribundas. Irene is the best known of the whites . . . a hardy, vigorous, beautiful Rose. **\$1.75 ea.;** 3 or more, **\$1.55 ea.;** 25 or more, **\$1.40 ea.**

THE CONARD-PYLE CO.

West Grove, Penna.

WONDERFUL STAR GRANDIFLORA

★**CARROUSEL.** Plant Pat. 1066. This beautiful dark red or garnet Grandiflora is noted for rich, unfading color. It grows upright to 3 feet and produces abundant blossoms, some coming one to a stem, others in whole candelabras. Each flower has 20 petals of good substance, a perfect example of Hybrid Tea-like form and character. Carrousel's deep color contrasts beautifully with that of our other 3 leading Grandifloras pictured here. Bushy plant. \$2 ea.; 3 or more, \$1.75 ea.

★**QUEEN ELIZABETH.** (Lammerts.) Plant Pat. 1259. Ever seen anything more lovely than this clear pink sensation? It produces candelabras of flowers on 6 to 12 inch-stems—a splendid cutting Rose. The plant is tall, 3 to 4 feet, a good grower with plenty of vigor and fine green foliage. Queen Elizabeth is the first in its class to win an All-America Award. Its great Hybrid Tea-like flowers come with the profusion of the Floribunda, giving you lots of beautiful color through the season. It's a truly magnificent Rose, excellent in form, color, habit. Try it. \$2.50 ea.; 3 or more, \$2.20 ea.

Experienced gardeners buy their plants by mail.

FLORAS

THE NEW KIND OF ROSE

These are the new super Roses . . . Grandifloras, which combine the beautiful form of the Hybrid Tea and the abundance of bloom of the Floribunda. More of this class are being developed, but the four illustrated here are the best—the most outstanding in every way—yet produced. The great quantity of flowers and the solid substance of the bloom make Grandifloras very desirable. In these four, we offer you a grand range of colors to plant and enjoy this year.

★**MONTEZUMA.** Plant Pat. 1383. The vivid rosy salmon of the exciting Montezuma literally glows with beauty. It's magnificent and brilliant. The beautifully formed buds and flowers are held on a tall-growing plant—3 to 5 feet. Each stem carries several, and there are always some for cutting. The long, slender buds open to blooms of 40 petals. The flower is high-centered and immensely attractive, as you can see. The plant is, of course, equally good. \$2.75 ea.; 3 or more, \$2.40 ea.

★**BUCCANEER.** Plant Pat. 1119. Put this one in the back row. It grows 5 feet tall, and the brightness of the golden yellow blooms, coming in abundance as they do, will shine out like a welcoming beacon to visitors to your garden. The long, sleek buds open to blossoms of 30 petals and cupped form. There is a slightly sweet fragrance which adds to their charm. The plant is generously proportioned, and the foliage is attractive in dark green. \$2.50 ea.; 3 or more, \$2.20 ea.

True color illustrations and accurate descriptions help you choose.

★GLADIATOR

Plant Star Roses — Always Nursery-Fresh

★GOLDEN SHOWERS. 1957 ALL-AMERICA WINNER

Put these great new *everblooming* climbers on wall, trellis, fence or pole and you'll have blooms *throughout the season!* They grow fast and tall, with strong canes. Often they bloom during the first season. These improved climbers give you decorative effects—masses of color—in short order. They'll give you immeasurable pleasure and satisfaction over the years. Gladiator, Golden Showers and Red Empress are excellent for cut flowers.

★**GLADIATOR.** Plant Pat. 1524. The light red or deep pink blooms of this new Everblooming Climber are large and double. It's a lively and attractive color. The tall, strong canes bear these delightful flowers in abundance all season. The plant blooms and re-blooms with vigor. Gladiator's blooms are fragrant, a quality which added to others possessed by this outstanding plant makes for satisfaction in every way. The blooms can be cut for the house, where they will give a lot of pleasure. Beautiful and substantial from top to bottom, here is a Climber to enjoy. \$2.75 ea.; 3 or more, \$2.40 ea.

ALL 5 EVERBLOOM Pictured Here . . . Beauty—

★**GOLDEN SHOWERS.** Plant Pat. 1557.

The finest Climbing Rose there is! The first Climbing Rose to win the All-America Award in many years, Golden Showers is outstanding. Its big, daffodil-yellow flowers are up to 5 inches across. They come in profusion all season long. The plant itself is strong enough to stand alone as a shrub. It grows vigorously, sending up 8-foot canes in a season and making a fine sight with its glossy green leaves and yellow blossoms. This is an excellent Everblooming Climber in every way. \$2.75 ea.; 3 or more, \$2.40 ea.

★**RED EMPRESS.** Plant Pat. 1573. Here is the most striking red imaginable, with big Hybrid Tea-like blossoms coming continuously all season long. The flowers are delightful, with strong fragrance and fine form and color. A lusty grower, the plant has strong canes, very attractive foliage and good growth habits. Red Empress will bloom the first year, an extremely worthwhile characteristic which gives you quick pleasure and satisfaction. This is a great new Everblooming Climber whose distinctive, iridescent red color will perk up any spot you give it and provide the most interesting and exciting background. \$2.50 ea.; 3 or more, \$2.20 ea.

★**CORAL DAWN.** Plant Pat. 1117. The lovely coral-pink flowers of this delightful Everblooming Climber are most unusual. They open from dainty, pointed buds to long-lasting, graceful blooms which are a big 4½ inches across. Coming in clusters of from 3 to 20, they give you gorgeous masses of color, as you can well imagine. And with the lustrous green backdrop of foliage to set off their beauty, the blooms make a memorable picture. Coral Dawn is a superior plant in every way—size, color and form of bloom—vigor of plant—remarkable beauty. It will do well anywhere you plant it. Completely charming. \$2.50 ea.; 3 or more, \$2.20 ea.

★**MORNING DAWN.** Plant Pat. 1447. This is a new one with a fine future . . . a soft pink Everblooming Climber with large flowers and rich green leaves. There is an old Rose scent which is charming, and the 5-inch blooms which are always in evidence add not only delightful color to the scene but also a very fetching spicy aroma. The flowers come on stems long enough for easy cutting. You can see in the picture below how nice is the form of bud and bloom, and also how well this good Rose lends itself to vasefuls of beauty for your house. There is an intriguing kind of appeal about Morning Dawn which people have found to be well nigh irresistible. \$2.50 ea.; 3 or more, \$2.20 ea.

★**SPECTACULAR.** Plant Pat. 1416. Perhaps no Rose has been more aptly named than this brilliant new Everblooming Climber for spectacular it is! The scarlet buds are something to see in themselves, but when they open to reveal their blazing orange-red excitement, the landscape seems to be aflame! In the picture, note how the sunlight sets off the blaze in the open flowers. These beauties come in profuse clusters with 3 and 4 splendid blooms to a stem. Just a few such clusters make a bowlful to brighten your home. The glossy, green leaves of this lusty grower add much to the effect—indoors or out. This vivid display is yours to enjoy all summer long, with new flowers constantly appearing. The vigor of the plant provides a steady source of new blooms, for the strong new canes which develop each year shoot up from the base to a height of 10 feet—each loaded with flowers. \$2.50 ea.; 3 or more, \$2.20 ea.

★SPECTACULAR

FOR THAT **BIG SPLASH**

PLANT STAR CLIMBING ROSES

★**CL. PEACE.** Plant Pat. 932. This is the same big, beautiful Hybrid Tea Rose growing as a vigorous Climber. Long, pliant canes that grow fast produce wonderful blooms which are more numerous as the plant gets older, so don't prune away the older wood! Climbing Peace is much admired and talked about. \$2.25 ea.; 3 or more, \$2 ea.

★**CL. MRS. PIERRE S. DU PONT.** Golden yellow, like the Hybrid Tea. Fragrant and double, with very well-formed buds. This is a wonderful bloomer. The plant is vigorous and healthy . . . the flowers are lovely. \$1.50 ea.; 3 or more, \$1.30 ea.

★**CL. TALISMAN.** An old favorite as a Hybrid Tea and fast becoming one as a Climber. Orange, yellow and red combination that's beautiful, fragrant and pleasing. You'll get plenty of good color with this one. \$1.50 ea.; 3 or more, \$1.30 ea.

★**DOUBLOONS.** Buff-yellow flushed with apricot. Big, firm flowers come from shapely buds. Superbly golden blossoms with nice fragrance come on long, 10 to 12-foot canes. This blooms early, and in June only. \$2 ea.; 3 or more, \$1.75 ea.

★**DR. J. H. NICOLAS.** Plant Pat. 457. Long-stemmed, rose-pink blooms of 50 petals come freely and repeat during the season. This is a very showy Climber—a beautiful sight. The flowers are fragrant and are good for cutting. Dr. J. H. Nicolas has long been a favorite, and has quality enough to make it remain so for years to come. \$2 ea.; 3 or more, \$1.75 ea.

© ★**CL. CRIMSON GLORY**

© ★**CL. PEACE**

★**CL. CRIMSON GLORY.** Plant Pat. 736. The rich, fragrant, deep crimson blooms of the Hybrid Tea Rose grow in great profusion on this vigorous climbing plant. The flowers have outstanding form and are big and handsome. Their glorious, colorful beauty comes from the lively, deep red tones, and the plant's clean, disease-resistant foliage adds to the effect. This excellent Climber is truly exciting. \$2.50 ea.; 3 or more, \$2.20 ea.

★**PAUL'S SCARLET CLIMBER.** Here, perhaps, is one of the best known and surely one of the brightest of red Climbers. It is famous for brilliant, unfading scarlet bloom which come in blazing clusters. In June, Paul's Scarlet is loaded with these colorful flowers and presents an eye-filling and unforgettable show. This is one of the older Climbers whose great June blooming continues to make it popular. It dresses up the dullest of garden spots. \$1.50 ea.; 3 or more, \$1.30 ea.

★**BLAZE.** A gorgeous display of flowers in June is the hallmark of this bright, bright Climbing Rose. After the big show, there will be a smaller number of blooms on the bush during the summer—but always some of that flashing red. The plant is sturdy, hardy, vigorous—the blooms are great clusters of scarlet lights, a dazzling sight. \$1.50 ea.; 3 or more, \$1.30 ea.

★**WHITE DAWN.** Best of the hardy, large-flowered white Climbing Roses. It grows strong and vigorously, producing plenty of flowers. The plant is healthy—excellent in every way. White Dawn and Blaze, planted alternately along a fence, would be sensational! \$1.75 ea.; 3 or more, \$1.55 ea.

★**CL. GOLDBLOCKS.** Plant Pat. 1090. The bush Goldilocks is an outstanding yellow Rose. This is the same fine flower growing brightly and in plenty on a vigorous climbing plant. The flowers are pure gold, shining in splashy array. Amid the small, pretty foliage, these 3-inch, double blooms make an attractive sight, indeed! The plant produces them in continuous fashion, so you always have happy color and great satisfaction with Climbing Goldilocks. \$2.50 ea.; 3 or more, \$2.20 ea.

These are real Roses, like the big ones except that they are comparatively tiny. Their beauty and perfection make them fascinating plants with blooms smaller than a half-dollar, and buds, leaves, thorns, stems proportionately smaller still. They grow 8 to 12 inches high, are hardy and grow outdoors like the big Roses. The blooms are delightful. You'll love them!

Star Rose

BRIGHT JEWELS OF

★RED IMP

Deep, rich, unfading crimson. Up to 60 petals. Excellent form of bud and bloom. A fully double, bright beauty. \$1.25 ea.; 3 or more, \$1.10 ea.; 25 or more, \$1 ea.; 50 or more, 90c ea.

★PIXIE. Plant Pat. 408. World's smallest fully double white Rose. Perfect, 3/4-inch blooms. Continuous bloomer. \$1.25 ea.; 3 or more, \$1.10 ea.; 25 or more, \$1 ea.; 50 or more, 90c ea.

★PIXIE

★RED IMP. Plant Pat. 1032.

★ROBIN

★ROBIN. Plant Pat. 1663. Our newest Miniature. Unique color. A deep red touched here and there with lighter tones. Tiny, urn-shaped buds, pea-size; flat, double blooms, 1 1/4 inches across. 60 to 73 quilled petals. \$1.50 ea.; 3 or more, \$1.30 ea.; 25 or more, \$1.20 ea.; 50 or more, \$1.10 ea.

★TINKER BELL. Plant Pat. 1293. Bright pink in bud and bloom. Up to 65 petals. Open bloom only 1 1/4 inches wide. Long-lasting blooms of excellent form. You'll like this little beauty. \$1.25 ea.; 3 or more, \$1.10 ea.; 25 or more, \$1 ea.; 50 or more, 90c ea.

★SWEET FAIRY. Plant Pat. 748. This is one of the loveliest of all Miniatures. A great favorite. It has deep pink buds which open to 1-inch flowers of apple-blossom-pink. The flowers come on wiry, upright stems, perfect for cutting. There is a rich Rose fragrance, too. Sweet Fairy's blooms last long. \$1.25 ea.; 3 or more, \$1.10 ea.; 25 or more, \$1 ea.; 50 or more, 90c ea.

STAR MINIATURE TREE ROSES

... The Talk of the Town!

Introduced only a season or two ago, Star Miniature Tree Roses are tiny trees with trunks only 12 inches tall and with flowers just like the Miniature bush Roses. Note in the picture at lower right the relative size of the Miniature Tree Rose and the Miniature Rose. If you want a dandy accent plant or a real garden conversation piece, choose one or more of the varieties we have available this year.

The one in the picture is Midget. The other kinds ready for spring planting are Baby Gold Star, Red Imp, Sweet Fairy and Tinker Bell. They grow like Midget but with flowers just like those described and pictured for the Miniature Roses. These five give you a fine color range. Order by names, and name an alternate choice. Supplies are limited. \$3.50 ea.; 3 or more in assorted varieties, \$2.95 ea.

★BABY GOLD STAR. Plant Pat. 407. The only true yellow Miniature Rose. Blooms are a bit larger than others. They're double and golden yellow all through. \$1.50 ea.; 3 or more, \$1.30 ea.; 25 or more, \$1.20 ea.; 50 or more, \$1.10 ea.

★TOM THUMB. Rich crimson beauty with a touch of white at base of petals. Free-blooming. Good form of bud and bloom—a real charmer. \$1.25 ea.; 3 or more, \$1.10 ea.; 25 or more, \$1 ea.; 50 or more, 90c ea.

Growers of the Best
Roses for America

YOU CAN HAVE A LOVELY GARDEN LIKE THIS

One of the great pleasures of home ownership is to be able to enjoy the relaxation, the excitement, the beauty afforded by a Rose garden which has been brought to bloom by one's own labor and interest. In such a place, there is balm for the soul, as well as pleasure for the senses; solace and comfort to offset the strains of life, as well as enjoyment of Nature's beauty. One's home is more surely one's castle when there is a flower garden to take refuge in, and pride.

★**TREE ROSES.** Our Tree Roses are exceptionally fine stock with 2-year "heads" on them . . . not the usual 1-year "head" most commonly sold. This means much more sturdy "body" to the plant . . . and, of course, a far better "lease on life" in your garden. They grow on 3 to 3½-foot trunks. Varieties include Peace, Chrysler Imperial, Crimson Glory, Lady Elgin, Love Song, Lowell Thomas, Nocturne, President Eisenhower, Tiffany, White Knight, Queen Elizabeth, Fashion, Frensham, Goldilocks and Sumatra. Specify second choice in case first is sold out. \$7.50 for one; \$6.50 for each additional. Transportation Railway Express collect.

GOLDEN ROSE OF CHINA

Makes the Perfect Shrub

★**HUGONIS.** Famous as a graceful and efficient plant, this golden Rose grows quickly and vigorously to a height of 6 feet. Brilliant yellow, 5-petaled flowers in profusion in May on gracefully arching branches. Perfect plant requiring little care. Prefers non-rich soil. Exceptionally good as a specimen shrub. Easy to plant and to grow. \$1.50 ea.; 3 to 11, \$1.30 ea.; 12 or more, \$1.20 ea.

★MAX GRAF

STAR ROSE GUARANTEE

We guarantee every Star Rose to bloom the first natural blooming period after purchase; failing which we will replace the plant or refund its cost.

★ROSA HUGONIS

THE FABULOUS FAIRY *Everblooming Shrub Rose*

★**THE FAIRY.** Bears hundreds of seashell-pink blooms from spring to frost. Very dense growth. This unique and beautiful plant grows vigorously and needs no spraying. It is an outstanding ornamental shrub when planted alone, and a living fence when planted in a row. Grows 4 feet tall and equally wide, but can be trimmed to smaller size if desired. This is a very wonderful plant. \$1.75 ea.; 3 to 11, \$1.55 ea.; 12 or more, \$1.40 ea.

MAX GRAF *For Ground Cover*

★**MAX GRAF.** Perfect for sunny banks. Has large, single, pink blooms and good green foliage that makes a lovely carpet. \$1.50 ea.; 3 or more, \$1.30 ea.

STAR HYBRID PERPETUAL

★**FRAU KARL DRUSCHKI.** Huge, snow-white, repeat-blooming Rose. Big plant, wonderful form. Very vigorous. \$1.50 ea.; 3 or more, \$1.30 ea.

STAR ROSE TRADE-MARK

This durable Star tag attached to each Rose you receive from Star Roses identifies the Rose by name and serves as your assurance of Star Rose quality. Be sure there's one on every Rose you buy.

OUT-OF-THE-WORLD 6-Ft. DELPHINIUMS

The world's finest Delphiniums are yours when you choose these splendid Star varieties. The pictures show *types* of coloring rather than *exact* color, for the range of shade in each series varies. Because we send you young plants from pots which transplant better than older plants from the field, they give you better bloom and last longer in your garden. Plant these wonderful Star Delphiniums in April or May and have magnificent blooms in July and August this year, and better ones still the next summer!

All these kinds—3 of one variety, \$1.50; 6 for \$2.75; 12 for \$4.95; 24 for \$8.95. For Mixtures, see offers.

HERE THEY ARE! *The First* *All-America Mums!*

© RUBY KING

RUBY KING

RUBY KING. Pl. Pat. App. For. Here is the best dark red cushion type Chrysanthemum available today . . . a winner of the All-America Mum Selections Award. Ruby King is low-growing, reaching a height of 12 to 15 inches and a spread of 15 to 18 inches. In the fall, it is covered with bright, shining red flowers—hundreds of them in a wonderful display of color which peeps up the fall garden right up to heavy frost. Such color set off by the beautiful dark green foliage and made more beautiful still by the shapeliness of the plant is a real necessity when summer flowers fade out of the picture. Ruby King's compact form makes it ideal for planting along walks and as borders for garden plots. Be sure to try this grand new Mum winner this year, for years of glorious fall color. \$1.50 ea.; 3 for \$3.75.

Experienced gardeners buy their Mums by mail.

SHOWPIECE

SHOWPIECE. Pl. Pat. App. For. Another All-America Winner with many special attributes . . . chief among them, the most beautiful royal rose color imaginable. This is a rich, sparkling color heightened by silvery mist-like highlights on the petal reverses and in the center of the flower. The blossoms themselves are massive, most of them a good 4 inches across, and often 5 inches! These flowers are very full and shapely, with long, graceful petals which are slightly incurved at centers. They make the plant a superb giant, and offer you wonderful sprays and gorgeous individual blooms to cut and arrange. The stems bearing them are long—2 to 2½ feet—and are well clothed with lush, green foliage. Naturally, so fine a plant with such a wealth of rich color makes the most lavish splash of beauty, and in late September—truly—you have a Showpiece to be proud of. Don't miss it! \$1.50 ea.; 3 for \$3.75.

4 GREAT NEW MUMS FOR 1958

We are happy to present for your garden enjoyment the very first winners of the All-America Mum Selections Award . . . four of the most outstanding new Mums in America today! These have successfully passed the rigorous testing necessary to selection as AAMum champions; and are available for spring planting for the first time. Their bright and beautiful colors will enliven next fall's gardens and decorate many a home. They have been chosen for qualities of plant, form and color. Each is outstanding—superb example of fall's most exciting flower. As the finest in their respective colors, Ruby King, Showpiece, Emperor and Burning Bronze are a foursome unequaled anywhere in the world today!

EMPEROR

EMPEROR

EMPEROR. Pl. Pat. App. For. A blaze of golden light from top to bottom, this brilliantly beautiful AAMum winner is an eye-filling sight for weeks in the fall. Its buds open from a delightful bright bronze with orange tints into the richest of yellows, and when fully open display a fine, clear, lemon-yellow that rivals the slanting sunshine. The flowers deck the plant right down to the ground . . . each a generous bloom with a very double, flat rather than ball-shaped effect—a characteristic which seems to make even larger the size of the open bloom. Emperor is a vigorous grower, compact and reaching medium height with a large, shapely spread. Its foliage is excellent and of a lively green that combines beautifully with the golden flowers. A single plant will produce as many as six or seven huge bouquets of sunny beauty for the house, with plenty of beauty left on the plant. Wonderful! \$1.50 ea.; 3 for \$3.75.

BURNING BRONZE

BURNING BRONZE. Pl. Pat. App. For. The glow of an inner fire shines through this AAMum winner, giving you a tangy, spirited splash of fall at its colorful best. The neat, 2½-inch blossoms open as exciting mahogany-bronze laid over a lively scarlet base as artfully as Nature's painter can apply his wonderful colors. When fully open, there is a medley of tangerine, bronze and orange—a blaze of beauty that glows with warmth and magnetism. Such flowers make marvelous cutting sprays to light the house. They come in free-blooming abundance on vigorous, 2½-foot plants, as though anxious to please you. Try Burning Bronze this year and see for yourself! \$1.50 ea.; 3 for \$3.75.

FANCY FOOTBALL MUMS

With just a little care, you can grow these greenhouse-type Mums outdoors.
MAJOR EDWARD BOWES. Richest of rose-pinks with wonderful form. Utterly beautiful.
MRS. H. E. KIDDER. A beautiful, big ball of yellow gold with tremendous appeal.
PINK CHIEF. Gorgeous rosy pink, the most delightful of colors. Big bloom.
AMBASSADOR. This is *the* white Football Mum. Massive size and exceptionally lovely.

YELLOW and ROSE SPOONS

Plant **STAR MUMS** THIS SPRING!

SPOON MUMS LIKE SPUN GLASS!

ROSE SPOON. Quill-like petals of rose-tipped pink. Golden center. Graceful sprays of 2 to 3-inch flowers.
WHITE SPOON. Icicle spoons—big and lacy, all-white flower. Dainty and lovely.
YELLOW SPOON. Clear, crisp yellow, a many-quilled flower.

Large-Flowered MUMS Give You Masses of Bloom!

These big, solid blooms are wonderful for cutting. They are extra big, 4 to 4½-inch flowers produced in masses on vigorous plants that need little care. You must plant them this spring to have these wonder-blooms this fall. The three illustrated below are outstanding kinds—gay and bewitching.

CARNIVAL. A huge, double, vivid burnt-orange fascinator that looks like a touch of sun-fire. Plenty of bright color and pleasure with this one. Gay and exciting as a carnival.

LEE POWELL Soft yellow tones in big flowers that come in profusion on a splendidly vigorous plant. One of the loveliest of fall colors. Very appealing and satisfying in house or garden.

APACHE. Great quantities of large, double flowers in the most gorgeous red that's as rich as it is exciting. Immense vigor. Long, slim petals. Thoroughly beautiful.

HAWAII

THE LOVELY *Lady Elgin*

LADY ELGIN. H.T. (Meiland.) Plant Pat. 1469. This was the "rage" of 1957—the flaming beauty that captured the hearts of the Rose world. Its spirited loveliness made it a most-wanted Rose; so much so that many who ordered it were unable to have it. We have a new and larger crop of this rich ornament of "Jeweler's Gold," as it has been described; but Lady Elgin, like the tide, waits for no man. Order soon, if you would enjoy this fabulous beauty this season. The rich, elegant apricot and orange combination which distinguishes this striking Rose is unique. This color remains bright and glorious throughout the life of the flower. Lady Elgin's huge,

handsome buds and blooms come on long, strong stems which makes for excellent cut flowers. The petals are large, firm and of good texture, and range from 35 to 48 in number. The luscious, shapely blooms are noted for good Rose form. Lady Elgin's plant itself adds to the overall quality of the Rose, too, for it is sturdy, tall-growing, upright and vigorous. The foliage is a lustrous green. In sum, you have in this elegant newcomer just about everything to delight a Rose-lover's heart . . . even a fine and pleasing fragrance! There was a reason for Lady Elgin's instant popularity last year, and that reason holds good today . . . it's a great Rose! **\$2.50 ea.; 3or more, \$2.20 ea.**
